## Leisure Services Notes and Reminders

As most of you know, the Leisure Services program was reduced to 20 hours a week last November. This means the program only operates three days a week. As a result, we need your help to make sure it operates as efficiently and effectively as possible under these circumstances. Please remember the following:

1. All signups and fees must be in before noon the day before an activity. Space is on a first-paid basis.
2. Read the calendar carefully. Pay attention to specific details especially with respect to pick-up times and locations.
3. Cash payments should be exact change and checks should be made out to Sunshine Leisure Services.
4. The best way to reach me is to leave a message on my office phone. Please limit texts and calls to my cell phone when I'm off or out of the office unless it's a very time sensitive issue.
5. Participants should have an official Tennessee identification and a list of emergency numbers on them at all times.
6. If you cannot make an activity, please call Leisure Services ASAP. Others may want your spot.

Thanks for your cooperation and continued support of the Leisure Services program.
